CONFERENCE OF THE PARTIES TO THE INTER-AMERICAN INSTITUTE FOR GLOBAL CHANGE RESEARCH
Twenty-ninth meeting
Videoconference
22-23 June 2021
Information document 2

Special issue on the IAI in a peer reviewed journal

1. This information document has been prepared the IAI Directorate

Background

2. The Conference of the Parties, at its 27th meeting, adopted Decisions XXVII/28 and XXVII/29 which states:

   XXVII/28. The IAI Directorate is instructed to continue working jointly with the Science Advisory Committee (SAC), the Science Policy Advisory Committee (SPAC) and CRN3 researchers on the publication of a Special issue on the IAI in a peer reviewed journal.

   XXVII/29. The IAI Science Advisory Committee (SAC) and the Science Policy Advisory Committee (SPAC) are instructed to collaborate with the Directorate on the publication of a special issue on the IAI in a peer reviewed journal, by acting as guest editors, reviewers, and/or any other function that contributes to the publication of the Special issue.

Special issue on the IAI in a peer reviewed journal

3. Special issue on the IAI, *Bridging science and policy through collaborative, interdisciplinary global change research in the Americas*, has been published in the peer reviewed journal Environmental development, a publication of Elsevier B.V.

4. The Special issue is available at: https://www.sciencedirect.com/journal/environmental-development/special-issue/10XLGNGJM97

5. In keeping with IAI Decision XXVI/45, which states: The IAI Directorate is directed to use the IAI Open data policy and principles to provide open access, as appropriate, to data and information generated by IAI funded research, the Special issue was published under the principles guiding open access.

6. Members of the SAC and the SPAC acted as guest editors and reviewers to the Special issue. The IAI Directorate acknowledges and is grateful for the valuable contributions.

7. The table of contents to the Special issue with links to the articles is attached as an annex to this notification.

8. The IAI Directorate is also grateful to the United States National Science Foundation whose generous financial support made this publication possible.

Recommendation

9. The Conference of the Parties is invited to take note of this information document.,
