

IPBES youth workshop

27-28 June 2019 Sao Pedro, Brazil

Objectives

For early-career professionals and practitioners to:

- Familiarize themselves with the work of IPBES and explore how they and their networks can contribute; and
- Explore future scenarios of biodiversity and ecosystem services from the perspective of early-career professionals and thus contribute to IPBES' work on scenarios and models.

Draft agenda

1. Welcome to the event
2. Agenda and organization of the event
3. IPBES and its role in the global science-policy interface
4. How to support and contribute to IPBES work?
5. Exploring nature's futures and sharing the perspective of early-career scientists, decision- and policy-makers and practitioners
6. Closure of the event: evaluation and how to keep the momentum going forward
