## NOTIFICATION

**Subject: Updating contact information for receiving IAI general communications**

Dear Madam, Sir,

To ensure Parties are well informed on IAI events, news, and funding and training opportunities, the IAI Directorate requests Party focal points to indicate the email addresses relevant for such purposes if they differ from the focal point's email address. Parties are also encouraged to share contact information for other relevant national agencies interested in receiving and disseminating IAI opportunities. Information on official focal points is available on the IAI website (please see: <http://www.iai.int/en/structure/focal-points>).

Please provide the requested contact information to Ms. Soledad Noya (Executive Assistant, [soledad@dir.iai.int](mailto:soledad@dir.iai.int)) at your earliest convenience.

Please accept, Madam/Sir, the assurances of my highest consideration.

Yours sincerely,

Dr. Anna Stewart Ibarra  
Executive Director
