

INTER-AMERICAN INSTITUTE FOR GLOBAL CHANGE RESEARCH

Ref: IAIUYDIR/2024/01

17 January 2024

## NOTIFICATION

### **Subject: Publication of the IAI list of experts**

Dear Madam / Dear Sir:

I am pleased to announce that the IAI Directorate has published a list of experts from the region on the institutional website, who have confirmed their availability for consultation from decision-makers, scientists, members of civil society, media, and other stakeholders.

These experts are academics within the IAI network , including former and current members of the Scientific Advisory Committee (SAC) and the Science Policy Advisory Committee (SPAC), and members of research projects funded by the IAI.

The list is categorized by **country(ies) and topic(s)** of expertise. The latter category aligns with the eight scientific themes of the IAI Strategic Plan: **i)** Food Security; **ii)** Energy Security; **iii)** Water Security; **iv)** Biodiversity and Ecosystem Services; **v)** Climate Action; **vi)** Health and Well-Being; **vii)** Poverty and Equity; and **viii)** Clean Air, Water, and Soils.

The list is available at: <https://www.iai.int/en/post/detail/Find-an-Expert>.

Parties are invited to use this information and disseminate its existence, in order to allow contact with scientists and actors in the region to expand the knowledge and enhance preparedness to face the challenges posed by global environmental change in the Americas.

Please accept, Madam/Sir, the assurances of my highest consideration.

Yours sincerely,

Dr. Anna Stewart Ibarra  
Executive Director
