## NOTIFICATION

### Subject: Vacancy announcement: Science Director

Dear Sir / Madam,

The Inter-American Institute for Global Change Research (IAI) is recruiting a director to manage the IAI's scientific program and activities. The science director is responsible for implementing the scientific agenda of the IAI and reports directly to the Executive Director of the IAI.

The science director must have demonstrated scientific leadership skills and be able to design and implement innovative science programs in response to critical issues, opportunities, and risks related to global environmental change in the Americas. The incumbent will generate and communicate compelling scientific strategies and directions according to the priorities of the Conference of the Parties as articulated in the IAI Strategic Plan, the Scientific Agenda, and other relevant policies.

The IAI Directorate will establish a search committee, with the participation of Parties, the Chair of the IAI Executive Council, the Scientific Advisory Committee and the Science-Policy Advisory Committee, to assist in evaluating candidates.

Parties interested in joining the committee are invited to contact Ms. Soledad Noya at [soledad.noya@dir.iai.int](mailto:soledad.noya@dir.iai.int) as soon as possible, but no later than 12 June 2024. Committee meetings will be held on 21, 25 and 26 June.

The vacancy notice is attached. Applications must be submitted by **12 June 2024** to [opportunities@dir.iai.int](mailto:opportunities@dir.iai.int). Parties are invited to provide the attached document to potential candidates for the post.

Please accept, Madam/Sir, the assurances of my highest consideration.

Anna Stewart Ibarra  
Executive Director
