

EDWARDS MATOS

Ministerio de Medio Ambiente y Recursos Naturales

Dominican Republic

My name is Edwards Matos, from Dominican Republic. For several years I have worked for the Ministry of Environment & Natural Resources, as Technical Assistant of Climate Change Direction and Ozone National Program. I have an Associate Degree in Environmental Science Management, a Bachelor Degree in Conservation of Natural Resources and Environmental Science and a Master Degree in Ecology and Environmental Science, (Presenting Thesis). I am Coauthor of the First and Second National Communication of the Dominican Republic and had a participation in the IAI Institute "Training on Vulnerability Associated with Climate Variability and Climate Change in the Americas", (Asunción, Paraguay, Oct. 2005).
