## **Annex**

### **Report of the Financial and Administrative Ad Hoc Committee**

#### **Review of IAI 2021-2022 Core Budget Request**

The Financial and Administrative Committee (FAC) operates as a committee of the Executive Council, providing advice to the IAI and EC on administrative and financial matters. Open to all member countries, the FAC presently is composed of one individual from the United States. The FAC received and has reviewed the IAI's core budget request for the coming fiscal year and recommends that the Executive Council forward it to the Council of the Parties for approval.

#### **Budget**

The FAC found the budget request to be responsive to the evolving nature of IAI operations, and the proposed expenses reasonable and appropriate. The budget proposes no increase in country contributions for the coming year with expenses roughly steady at about \$1,400,000.

#### **Audit Report**

The Auditors' report covering fiscal year 2019-20 gave an unqualified opinion that the IAI's financial statement presented fairly in all material respects the financial position of the IAI. Staff are commended for again receiving an unqualified audit opinion.

#### **Country Contributions**

As an international organization, the IAI relies on the voluntary contributions of its members to support day-to-day operations and oversee research activities. The world situation with regard to COVID-19 has stressed many member nations, but without continued payment of voluntary contributions by all members the long-term health of IAI is threatened.

#### **COVID-19**

The COVID-19 pandemic presented hardship globally, and IAI is commended for maintaining operations over the past challenging year.

William Smith, FAC Chair

- Review and approve terms and conditions of IAI Directorate staff salaries and benefits;
- Review and approve policies for cost of living and merit increases;

The members of the Financial and Administrative Ad Hoc Committee elect the Chair. The Charter and membership will be reviewed every two years.

The FAC will interact regularly with the IAI Directorate through the Director. The Financial and Administrative Ad Hoc Committee will report to the Executive Committee at each EC meeting.

FAC members typically pay the costs associated with attending meetings of the FAC. However, the Directorate may, based on need and availability of funds, support expenses for the attendance at Financial and Administrative Ad Hoc Committee meetings.
