

IAI Science Forum

June 4, 2003 - Boulder, Colorado

MORNING - 8:30 – 12:45		
Registration <i>(for those newly arriving)</i>	8:30 – 9:00	30'
Forum Opening Margaret Leinen / NSF and Gustavo Necco / IAI	9:00 – 9:20	20'
Keynote: Current Challenges in Climate and Weather Modeling. <i>Timothy Killeen / NCAR</i>	9:20 – 9:55	30' (+5)
Morning Session 1: IAI programs		
The IAI's Scientific Programs 1995 - 2003. <i>Gerhard Breulmann</i>	9:55 – 10:15	15' (+5)
The IAI Summer Institutes, Past and Future. <i>Marcella Ohira Schwarz and Guillermo Podestá</i>	10:15 – 10:30	10' (+5)
Presentation of the IAI Tenth Year Book. <i>Luiz Bevilacqua and Robert Corell</i>	10:30 – 10:45	15'
Coffee Break and poster viewing 10:45 – 11:00		
Morning Session 2: IAI Collaborative Network Program presentations		
AARAM: Andean Amazon Rivers Analysis and Management. <i>Michael McClain / Florida International University</i>	11:00 – 11:35	30' (+5)
Biodiversity and Global Change in the Americas: Impacts on Ecosystem Functioning. <i>Oswaldo Sala / Universidad de Buenos Aires</i>	11:35 – 12:10	30' (+5)
Tree rings, Climate Variability and Global Change in the Americas <i>Brian Luckman / University of Western Ontario</i>	12:10 – 12:45	30' (+5)
Lunch and poster viewing 12:45 – 14:00		
• Video Presentation CRN003, <i>Brian Luckman/University of Western Ontario</i>	13:30 – 13:50	20'

AFTERNOON - 14:00 – 17:00		
Afternoon Session 1: IAI Initial Science Program presentations		
• Climate Forecasts and Agricultural Management: Comparative Assessment and Applications in Argentina, Costa Rica, and Mexico. <i>Fred S. Royce / University of Florida</i>	14:00 – 14:25	20' (+5)
• Applications, Use and Transferability: Lessons across the CRN, ISP, and PESCA <i>Roger Pulwarty / NOAA-CIRES Climate Diagnostics Center</i>	14:25 – 14:50	20' (+5)
IAI and the Scope International Nitrogen Project. <i>Alan Townsend / University of Colorado</i>	14:50 – 15:15	20' (+5)
Coffee Break, poster viewing 15:15 – 15:30		
Afternoon Session 2: Science in the IAI – past, present, future		
The IAI Science Agenda and Decision Making in the Americas: Research that Responds to Stakeholders <i>Diana Liverman/University of Arizona</i>	15:30 – 16:00	20' (+10)
IAI Achievements - A Cup Half Full or a Cup Half Empty? <i>John Stewart/past SAC Chair, past Interim Director</i>	16:00 – 16:30	20' (+10)
Future Outlook (<i>Walter Fernandez and Gustavo Necco</i>)	16:30 – 16:45	10' (+5)
General Discussion	16:45 – 17:00	15'
• Closing	17:00
