**Subject: Rescheduling of the meeting of members of the Belmont Forum with a special interest in the Americas**

Dear Belmont Forum members,

We refer to our letter dated 3 April 2018 (reference number IAIUYDIR18-020) which contained an invitation to a meeting of members of the Belmont Forum with a special interest in the Americas. The meeting was scheduled to be held on 18 June 2018 in Antigua, Guatemala.

We have been informed that due to previous and unavoidable commitments, many members of the Belmont Forum are not able to participate in the meeting.

In light of the above, it has become necessary to re-schedule the meeting to be held sometime in the Fall of 2018.

We will inform you with due urgency once the new date and locale are agreed to.

We regret any inconvenience that this re-scheduling of the meeting may cause.

Sincerely yours,

Dr. Erica Key  
Executive Director  
Belmont Forum Secretariat

Dr. Marcos Regis da Silva  
Executive Director  
IAI Directorate
