NOTIFICATION

Subject: Consultancy to develop training materials on transdisciplinary science related to global environmental change in the Americas

Dear Madam, Sir,

The IAI Directorate seeks a consultant team to develop training materials on TD science related to global environmental change (GEC) in the Americas. These training materials should aim to enhance the capacity of professionals across the Americas to conduct TD science and to bring TD science to contribute to the development of more effective public policies.

Key experts on the consulting team should have the following expertise:

- At least 7 years of professional experience with GEC science-policy in the Americas;
- At least 5 years of experience developing and conducting trainings on TD science;
- At least 5 years of experience developing online curriculum with LMSs;
- Experience working in Latin America and the Caribbean; and,
- Fluency in English and Spanish, written and verbal.

The IAI Directorate notes that **the lead organization submitting the proposal must be from an IAI Party.**

Interested teams should submit an Expression of Interest. Information on the expected content of the expression of interest and the terms of reference for the consultancy are attached to this notification. Both documents are also available on the IAI website at: <https://www.iai.int/en/post/detail/call-for-applicants>

Expressions of interest **must be submitted in English or Spanish by email to the address below by 19 November 2021** to: Ms. Soledad Noya; email: opportunities@dir.iai.int

The IAI Directorate would be grateful if you could disseminate this information via your networks.

The IAI Directorate is grateful for the financial support received from the United States National Science Foundation which made possible this consultancy.

Please accept, Madam/Sir, the assurances of my highest consideration.

Yours sincerely,

Marcos Regis da Silva
Executive Director
