

INTER-AMERICAN INSTITUTE FOR GLOBAL CHANGE RESEARCH

Ref: IAIUYDIR/2021/025

5 November 2021

NOTIFICATION

Subject: Request for applicants for IAI Science, Technology and Policy (STeP) Fellows to be hosted by the IAI Directorate

Dear Madam, Sir,

The IAI Directorate seeks applicants for the Science, Technology and Policy (STeP) Fellowship Program. Fellows will support the IAI Directorate in the following areas:

1. Regional assessment of policy decisions impacted by global environmental change (GEC).
2. Transdisciplinary (TD) science on GEC: research and training.
3. Strengthening science diplomacy on GEC across the Americas.

Applicants should submit a cover letter and curriculum vitae. Additional information about the content of the cover letter, eligibility, duration, and stipend are provided in the attached document and on the IAI's website at: <https://www.iai.int/en/post/detail/call-for-applicants>

Expressions of interest **must be submitted in English or Spanish by email by 02 December 2021** to Ms. Soledad Noya; email: opportunities@dir.iai.int

The IAI Directorate would be grateful if you could disseminate this information via your networks.

The IAI Directorate is grateful for the financial support received from the United States National Science Foundation which made these fellowships possible.

Please accept, Madam/Sir, the assurances of my highest consideration.

Yours sincerely,

Marcos Regis da Silva
Executive Director
