NOTIFICATION

Subject: 30 year anniversary of the Inter-American Institute for Global Change Research

Dear Madam, Sir,

On 13 May 2022, the Inter-American Institute for Global Change Research (IAI) will mark its 30-year anniversary since the signature of the *Agreement establishing the IAI* in Montevideo, Uruguay on 13 May, 1992, in four equally authentic original texts in the English, French, Portuguese and Spanish languages¹.

To celebrate its 30th anniversary, the IAI Directorate is planning a series of commemorative products, events and video highlighting past, current and planned scientific and capacity building activities and projects implemented in support of the principles of scientific excellence, international cooperation, and the full and open exchange of scientific information, relevant to global change in the Americas.

Accordingly, Parties are invited to inform the IAI Directorate if they would be willing to contribute a brief video or written statement on the IAI highlighting its scientific and capacity building achievements.

Please contact Ms. Soledad Noya at soledad@dir.iai.int for information on the format, length and content of the video information and on how to prepare the statement.

More information on planned activities will be communicated in due time.

Thank you for your support of the IAI.

Please accept, Madam/Sir, the assurances of my highest consideration.

Yours sincerely,

Marcos Regis da Silva
Executive Director
