## NOTIFICATION

### **Subject: Online survey for the Regional Assessment**

Dear Madam, Sir,

I am pleased to share the online survey that is a key component of the Regional Assessment identified in the IAI Strategic Plan<sup>1</sup>.

Parties may recall that Decision XXIX/16, adopted at the 29th meeting of the Conference of the Parties (CoP-29, Videoconference, 2021), directed the Directorate to conduct the Regional Assessment with IAI Parties. The information collected during this first Assessment will be used to better understand how to serve the needs of Parties, to inform the IAI's near-term priorities, and to help the IAI facilitate collaboration among the Parties.

The IAI Directorate requests that, at a minimum, the IAI Focal Points from each Party complete the survey at their earliest convenience but no later than **14 April 2022**. Focal Points may delegate the survey to someone in their organization and may also share the survey with other branches of government, as appropriate, for additional input and information. Focal points are encouraged to communicate with members of the Scientific Advisory Committee (SAC) and/or from the Science-Policy Advisory Committee (SPAC) from their countries to seek their advice on completion of the survey. Once the information from the surveys is compiled, the Directorate will host sub-regional virtual listening sessions to follow-up with Focal Points.

The survey may be completed in English or Spanish. Please use the following links to access the Regional Assessment survey:
