

**MATHEW LIKANSKI**  
**University of Texas**  
**USA**

Matt Kilanski is a graduate student at the University of Texas at Austin in the Energy and Earth Resources program. He is interested in water management policy in Texas, particularly as it relates to the state water plan and water technology. Matt has worked as a management consultant at all levels of government (Federal, state and local) for the past seven years with projects in change management and organizational consulting. He has an undergraduate degree in Chemistry-Engineering from Washington and Lee University in Lexington, Virginia.
