## **Current Position and Affiliations**

Assistant Professor of Sociology, College of Liberal Arts and Sciences, University of Florida  
Affiliate Faculty, Center for Latin American Studies, University of Florida  
Affiliate Faculty, College of Natural Resources and Environment, University of Florida  
Affiliate Faculty, Land Use and Environmental Change Institute, University of Florida

## **Degrees**

1997 Ph.D., Sociology, University of Texas at Austin  
1994 M.A., Sociology, University of Texas at Austin  
1992 B.A., Psychology and Sociology with Honors, Southwestern University

## **Specializations**

Environmental Sociology  
Population and Environment  
Demography  
Sociology of Latin America  
Sociology of Development

## **Areas of Research**

Impacts of Road Infrastructure on Forest Fragmentation and Human Livelihoods  
Social Dimensions of Deforestation and Secondary Forest Growth in the Brazilian Amazon  
Household Life Cycle Dynamics and Land Allocation  
Rural and Urban Environmental Quality in the Amazon  
Globalization and Migration in Brazil  
Indigenous Population Change in the Americas  
Human Health Consequences of Land Use in the Amazon

## **Foreign Language Proficiency**

Portuguese (speak, read)  
Spanish (read)

## Course Preparations

### Substantive Courses:

Environment and Society  
Population and Environment  
Population and Society in Latin America  
Social Demography

### Methodological Courses:

Methods of Social Research (Undergraduate)  
Latin American Data Analysis  
Analytical Demography

## Courses Given as Instructor of Record, 1997-2003

### Methods of Social Research, Department of Sociology (Required upper-division undergraduate

Sociology course, 4 credit hours, lectures with labs, use of GSS data and SPSS)

2001 Instructor of record, spring semester (overall evaluation = 4.1 out of 5.0)  
2001 Instructor of record, fall semester (evaluation = 4.5 out of 5.0)  
2002 Instructor of record, spring semester (evaluation = 4.6 out of 5.0)  
2002 Instructor of record, fall semester (evaluation = 4.4 out of 5.0)  
2003 Instructor of record, spring semester

### Environment and Society, Department of Sociology (Upper division undergraduate course with a graduate piggy-back, open to Sociology undergraduates and Latin American Studies undergraduates and graduates, lectures with discussions, 33% Latin American content)

2000 Instructor of record, fall semester (evaluation = 4.5 out of 5.0)  
2001 Instructor of record, summer A  
2001 Instructor of record, fall semester (evaluation = 4.7 out of 5.0)  
2002 Instructor of record, fall semester (evaluation = 4.7 out of 5.0)

### Latin American Data Analysis, Center for Latin American Studies (Required graduate course in the MALAS program, discussions with labs, use of Brazilian PNAD data and SPSS)

2002 Instructor of record, spring semester (evaluation = 4.5 out of 5.0)

### Population and Society in Latin America, Center for Latin American Studies (Required senior capstone seminar, upper division undergraduate course, weekly discussions with computer labs, use of Brazilian census data and SPSS)

1998 Instructor of record, spring semester (overall evaluation = 4.8 out of 5.0)  
2000 Instructor of record, spring semester (overall evaluation = 4.4 out of 5.0)  
2003 Instructor of record, spring semester, Department of Sociology, 4000 level course

### Analytical Demography, Population Research Center and Department of Sociology, University of Texas at Austin (Upper division undergraduate course, required part of an NSF Research Experience for Undergraduates program, lecture with labs, use of Unix, US census data and SAS)

1997 Instructor of record, summer I

### **Funded Research Proposals**

Robert Walker (PI), Alex Pfaff (Co-PI), and Stephen Perz (Co-PI)

2002 "A Basin-scale Econometric Model for Projecting Future Amazonian Landscapes." Submitted to NASA's Large-scale Biosphere-Atmosphere Program in Terrestrial Ecology, 4 March. Perz's budget request: \$76,500 total costs through the Department of Sociology, Jan 2003-June 2005.

Robert Walker (PI), Stephen Perz (Co-PI) and Marcellus Caldas (Co-PI)

2002 "Socio-spatial Processes of Road Extensions and Forest Fragmentation in the Amazon." Resubmission planned to NSF, September 1 deadline. Perz's budget request: \$61,912 through the Department of Sociology, March 2003-June 2005.

I. Foster Brown (PI), Stephen Perz (Co-PI), Marianne Schmink (Co-PI), et al.

2002 "Land Cover and Land Use Change in the Tri-Frontier Area of Brazil, Bolivia, and Peru: Implications for Sustainable Land Use in Southwestern Amazonia." Submitted to NASA's Large-scale Biosphere-Atmosphere Program in Terrestrial Ecology, March. Final budget for UF subcontract: \$40,310 total costs through the Center for Latin American Studies, April 2003-December 2005.

### **Research Proposals Rejected**

Graeme Cumming (PI), Grenville Barnes (Co-PI), Michael Binford (co-PI), Jane Southworth (co-PI), Tom Clarke (Co-PI), Stephen Perz (Co-PI), Marianne Schmink (Co-PI), Kathryn Sieving (Co-PI)

(2002) "Resilience, Connectivity and Land Use in Latin America." Submitted to NSF's Biocomplexity program, November 2002. Total budget: ~\$2,000,000. Perz's budget request: ~\$250,000 through the Department of Sociology, with a subcontract to Michigan State University, July 2003-June 2007.

Walker, et al. NSF proposal rejected in January 2002 round at NSF

Perz and Porro 2001 secondary growth proposal rejected at NSF

Perz 2000 NSF CAREER proposal rejected at NSF
