

INTER-AMERICAN INSTITUTE FOR GLOBAL CHANGE RESEARCH

15 March 2024

Conference of the Parties to the
Inter-American Institute for Global Change Research IAI

Subject: SAC's Nominations for SAC membership

In June 2024, the term of one (1) SAC member, Mercy J. Borbor, nominated by the SAC will expire. She has reached the end of her first term and is eligible for re-election. We decided to nominate her for a second period.

Dr. Borbor's nomination by the SAC is supported by her contributions and participation in the working group for the regional assessment and a policy brief on water security based on the IPCC 6th assessment report for the LAC region. Additionally, Dr. Borbor has been engaged in developing the foundation for the integrated management plan of Sargassum with the Development Bank of Latin America.

We are confident that Mercy J. Borbor's re-election will bring continued value to IAI's work. We kindly request the Conference of the Parties' support for her nomination and look forward to a positive outcome at CoP-32.

Thank you for considering this nomination.

Yours sincerely,

Dr. Omar Ramsés López Alfano
On behalf of the SAC members
